THE FUTURE OF EUROPE

Man versus God is the battle that the majority of Europeans are engaged in. Europe has now become the dark continent where most people live their lives in direct violation of the laws of God (Jesus Christ). Men have tried to eradicate even the knowledge of God by burning Bibles, closing churches and persecuting true Christians. Traditions, myths, fairy tales, philosophies, science, medicine, religions, sports etc., have taken the place of obedience to the Holy Scriptures (Colossians 2:8). Humanism is simply man choosing his own set of values, beliefs and morality instead of submitting to God's standards. Humanism or secularism in the Bible is called "idolatry".

Man wants to constantly blame God for all his misfortunes and the injustice found in society. Men constantly make statements showing their total ignorance of the Word of God and God's character. For example, "If God existed then why did He allow Hitler to kill millions of Jews," or, "If God exists why is there so much needless fighting and countless wars; why the rapes, incest and poverty etc." The answer is so very simple yet so difficult for the proud to understand.

The Bible tells us that people's pride make them unable to understand basic truth. Pride causes rebellion and rejects truth so a spirit of deception takes over. 2 Thessalonians 2:10-12 reads, "*And with all deceivableness of unrighteousness in them that perish; because they received not the love*

of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness." The truth is that God is not ruling the world today, man is. Man is responsible for the wars, rapes and deaths, not God. You first must understand how you are made to be able to understand why God does not interfere with your decisions. Since God does not interfere with your decisions, you cannot blame Him for your problems. If God did intervene, would not you then blame Him for being a tyrant and making you a robot? Men must face the truth; they cannot have it both ways. Either God interferes in our lives, thus making us inhuman without free choice to govern our own destiny, or God allows for free choice of decisions (providing the possibility of real love and obedience).

Genesis 1:27, "*So God created man in His own image, in the image of God created He him; male and female created He them.*" People are totally different than the animals. God breathed His Holy Spirit into man, thus morality. Genesis 1:26, "*And God said, Let us make man in Our image, after Our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.*" People have a conscience, knowing good from evil intuitively. Animals perform by instinct. God made man to have sex for

pleasure, intimacy, fellowship and reproduction. The only restrictions placed upon man by God is that sex is to be within the confines of marriage and that man is responsible for the life that he chooses to create during that sexual experience (Psalms 127:3). Once again we must understand that man is created like God. Man's very constitution is made like God so man cannot go against the components of his very fabric, lest he breaks the laws of his own creation and starts to self-destruct as glass, rubber or any other creation deteriorates and breaks when used improperly. Man is made to experience the utmost in happiness, fulfillment, satisfaction and enjoyment when having sex with his lifelong partner in marriage. Genesis 2:18, 21-24 God said, "*...It is not good that the man should be alone; I will make him a help meet for him...*' And the Lord God, caused a deep sleep to fall upon Adam, and he slept: and he took one of his ribs, and closed up the flesh instead thereof; And the rib, which the Lord God had taken from man, made he a woman, and brought her unto the man. And Adam said, 'This is now bone of my bones, and flesh of my flesh: she shall be called Woman, because she was taken out of Man.' Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh." Emotional problems (psychosomatic diseases), physical diseases, mental sicknesses and spiritual death result when men tamper with the way they were created.

Immorality blasphemes marriage as an institution created by God to protect the sanctity of marriage and sexual intercourse. Immorality is a manifestation of idolatry which is rebellion against God and subtly destroys a person and nation as a beast mentality starts to replace the human soul from the living attributes of God. Marriage has responsibilities toward one another so a person doesn't become totally selfish (a beast), which is total insensitivity to the needs of anyone other than himself. Immorality manifests its filthy destruction upon the human race (soul) of mankind in the following different forms: fornication, adultery, homosexuality, lesbianism, cross-dressing, incest, sodomy, rape, bestiality, prostitution, pornography, ect.

People are so hypocritical. They want to govern their own affairs, yet they want to blame God for the consequences of their decisions. People must take responsibility for their decisions and actions. God is not to blame for Hitler killing six million Jews. People are to blame for voting him into office and not rising up against his anti-human actions. To reiterate: nations are made up of people and they are also to blame for not stopping Hitler (and others like him) sooner. God is not responsible for the poverty in the countries today. Selfish leaders and people are to blame for wanting more than others have and having no real compassion on society. They lie to people to get voted into office so they can use their position to advance their own lives. In the Bible, Jesus was kind to the woman caught in adultery. He did not judge her or condemn her, but He forgave her and told her to go and sin no more. However, to the religious leaders who were twisting the word of God to control the people, He was harsh and openly rebuked them (Matthew 23:1-39). All true prophets in the Scriptures used strong harsh words for rebuking both religious and governmental leadership (Jeremiah 12:10; 14:13-16; 23:1-3,11-32; 1 Kings 18:17-18; 21:17-24; John 3:1-10; Luke

3:19-20; etc.). Leadership is responsible for the problems people suffer today in their nations, God is not responsible. People are responsible for electing or allowing the leaders to rule over them (1 Samuel 8:6-22).

COMMUNISM crushes the human spirit so people cannot become what God intended them to be consequently producing people that lack in ambition and creativity. CAPITALISM exploits the human spirit to depravity, debauchery, excess and extremes in selfishness, lusts and desires. People become gluttonous without genuine compassion, yet hypocritically involved in different charities to deceive their conscience of the selfishness they really want and enjoy. They live in such selfishness that can justify the killing of a helpless baby inside the mother's womb because the mother does not want to take responsibility for her actions. She now wants to kill another human so she can continue to live a self pleasing life as this new human being might interfere with her own life. Now this self-deceived hypocrite wants to be involved in feeding the orphans, or some other charitable cause, as long as it does not interfere with her life for she already has killed one human being (her unborn baby) that would have interrupted her life. SOCIALISM can never work on earth with men in leadership as the leaders abuse their power and use the people to advance their own agendas, vanities, lusts and power.

Under Communism, Capitalism and Socialism, the humanist, the atheist and the religious develop the personalities, values and habits of the beast mentality. They become gluttonous, pious, proud, arrogant, self-centered, biased, jealous, and envious. They lie, cheat, steal, gossip, cause dissension, bitterness and strife. They create fights, strife and discord with bitterness and unfor-giveness. They twist the Scriptures, picking and choosing what they want to use to manipulate people and live the rebellious lifestyle of a humanist or idola

ter (Ephesians 5:3-6).

2 Timothy 3:16 tells us that, "*All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness.*" The Protestant Bible is the literal Word of God, given by God to be studied and used as the supreme source for people to live their lives while on earth. Revelation 22:18-19, gives a severe warning to anyone that they are not to add or subtract from the Scriptures lest he be eternally damned. The Scriptures (Jesus Christ) is the only way for peace on earth; all other methods cause mankind's problems and eventually eternal death (separation from God when a person dies on earth).

As we read earlier, human beings were made in the image of God. Galatians 5:22-24 tells us that the people who are not living in idolatry (humanism), but instead obey the commandments of God in the Scriptures, have the Holy Spirit ruling them which produces the following personality and characteristics: "*But the fruit of the Spirit is love, joy, peace, long-suffering, gentleness, goodness, faith, meekness, temperance: against such there is no law. And they that are Christ's have crucified the flesh with the affections and lusts.*" Consequently, utopia will only happen when people who are led by the Holy Spirit are governed by Jesus Christ. This type of government is called a Theocracy and it will be initiated after the battle of Armageddon when Jesus returns to earth to rescue His bride from a man-ruled earth (Revelation 16:16-21 and chapters 17-20).

How do human beings, created in the image of God, with His character and personality, values, beliefs and morality change into an intelligent animal? How do we change into a beast mentality and will finally be led by the Beast of Revelation chapter 13? The answer is found in Romans 1:19-32; "*Because*

that which may be known of God is manifest in them; for God hath showed it unto them (instinctively people know there is a God since they are made in God's image). For the invisible things of Him from the creation of the world are clearly seen, being understood by the things that are made, even His eternal power and Godhead; so that they are without excuse (people have no excuse for not knowing God as the entire creation speaks of God's reality. If man chooses to ignore the evidence it is a matter of the choice of that particular person, for Scripture tells us that man can know God if he chooses). Because that, when they knew God, they glorified Him not as God, neither were thankful; but became vain in their imaginations, and their foolish hearts were darkened. Professing themselves to be wise, they became fools (the atheist, agnostic and leaders who try and govern society aside from following the Scriptures): And changed the glory of the incorruptible God into an image made like to corruptible man, and to birds, and four-footed beasts, and creeping things (different religions such as Hinduism etc). Wherefore God also gave them up to uncleanness, through the lusts of their own hearts, to dishonor their own bodies between themselves (homosexuality). Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, (humanism which is idolatry) who is blessed for ever. Amen. For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature (lesbianism): And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly (sodomy), and receiving in themselves that recompense of their error which is meet (diseases, gonorrhea, syphilis, AIDS etc.). And even as they did not like to retain God in their

knowledge, God gave them over to a reprobate mind, to do those things which are not convenient (Ephesians 5:4; filthiness, foolish talking, jesting). Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents, Without understanding, covenant breakers, without natural affection, implacable, unmerciful: Who, knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them."

Galatians 5:19-21 describes the character of a person who rejects Jesus and now the Holy Spirit cannot rule their life: "Now the works of the flesh are manifest, which are these, adultery, fornication, uncleanness, lasciviousness, idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies (doctrines and traditions taught by religious and church leaders that are not substantiated in the Scriptures, yet are made sacred by a pastor or priest), envyings, murders, drunkenness, revelings, and such like: of the which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the kingdom of God."

Ladies and gentlemen, the problems in the world today are created by people who have rejected the way they were created, and instead of living as human beings in God's likeness (character and values/morality), they now have chosen their own standards and have lowered themselves to the standard of the animal kingdom or beast mentality. We are not ruled by God in today's world. The majority of our leaders, both politically and religiously and including most church leaders, have adapted the beast philosophy, morality and ethics. They pass laws in parliament which

violate the Scriptures, thus they are guilty of idolatry, which is one of the sins which bring judgment on a person or society.

Anti-christ represents lawlessness (1 John 4:1-3), and there is lawlessness in most of the leaders throughout Europe. Both politically, religiously and within most churches, men make their own laws, standards and morality. They even change the laws of God in the Bible to please the rebellious masses or to control them as the scribes and Pharisees did, which Jesus strongly condemned.

Idolatry and immorality bring deterioration on a person or nation when the majority of people within that particular nation are guilty of these two forms of rebellion against God. The third crime which together brings certain destruction upon the individual or nation is described in the Scriptures as "the murder of the innocents" (Exodus 23:6-7; Psalms 106:38-41; Hosea 4:1-6; Leviticus 20:2-6 etc.). Israel became corrupted by the other religions present around them, and they legally killed their firstborn by giving them to Molech as a sacrifice. Today people give their firstborn, and many times their second and third born, as a sacrifice to themselves, so that they can live the way they want in the sin of abortion. God makes it clear in Scripture (Psalm 139:13-16) that life begins at conception and that He has a special regard for the baby (embryo).

The world is moving quickly toward the creation of a "New World Order", but before it can be initiated, the world will see a nuclear war. The "land for peace" plan by Israel and her enemies will fail. For when The Arab League and the PLO get all the land they can get from Israel peacefully, they plan to take the rest by war.

The Prophetic Vision reports that "according to a recent poll conducted by the website *Islam On-line*, 86.7% of the Arabic and Islamic world does not

consider an Israeli withdrawal from Golan and South Lebanon sufficient reason for making peace. 66% consider the Palestinian question and the status of Jerusalem to be the essence of the conflict... What will happen now? The Russian people have elected a question mark. Putin has promised to restore law and order to a chaotic, crime ridden country, but how? His theory is, 'You have to hit first and hard, so that your opponent will not get to his feet.' He applied this to the destruction of Chechnya, Russia's version of NATO's intervention in Kosovo. Serving as a vent for pent-up public frustration after years of economic decline, diminishing influence abroad and international humiliation by the US, Putin's action is immensely popular with the Russian people. The first decree signed by acting president Vladimir Putin in January was a new National Security Doctrine lowering the threshold for the use of nuclear weapons. It allows Russia to use her vast nuclear arsenal to repel armed aggression. At the same time, with 75% of Russia's current conventional weaponry obsolete, Putin increased military investment by 50%. Russia is currently developing a new generation of low-yield weapons for precision non-strategic strikes, 10 years in advance of anything in the West. Where does the money come from? The IMF?...Russia's new military doctrine (14 January 2000), confirms China as her strategic ally, determined to resist US global dominance."

Russia and some of her allies are planning to move into the Middle East against Israel. Russia and The United States will exchange a nuclear attack against each other. Out of the chaos, the New World Order will arise led eventually by "the man of sedition", the Anti-christ. Read Ezekiel chapters 38-39; the books of Daniel, Zechariah, Revelation and others.

2 Timothy 3:1-17 describes the character of people and how they will behave "in the last days." People will reject the laws of God through the Scriptures;

they will reject the Author of Life and the future ruler of the world--Jesus Christ. Men turn into a beast until they finally accept and are ruled by The Beast of Revelation chapter 13.

2 Timothy 3:12-14 tells Christians that before Jesus returns, which is during the battle of Armageddon in the last days, they will suffer persecution. Before the book of Revelation is opened and during that time, Christians will face persecution for Jesus (Revelation 6:9-11). There is no way around it unless you compromise to avoid being scoffed at and/or rejected. However, remember the Scriptures that are so very clear in Mark 8:38, "*Whosoever therefore shall be ashamed of Me and My words, in this adulterous and sinful generation, of him also shall the Son of man be ashamed, when He cometh in the glory of His Father with the holy angels.*"

We are in the last generation

In the world's history there has never been a generation like this. Where until recently, men traveled by foot, animal or small boat, today people travel by jet around the world in one day. Today, mankind can literally blow themselves up through nuclear warfare, whereas prior to this time, the world's civilization was never in danger of being destroyed by bows and arrows, spears, swords etc. Today, we have the technology to control mankind through identifying them by their birth date, identification numbers, through the computers, we can restrict people from buying or selling unless they agree to the conditions soon to be implemented. All nations are working towards world communications and cash is being replaced with cards and finally a mark on a person's right hand or forehead (Revelation 13:16-18).

Yes, we are living just prior to a one world government and Jesus Christ himself returning. The United States of America's stock market will collapse as well as their economy. Shortly there-

after, there will be a nuclear war resulting in the formation of the New World Order. Great plagues are coming upon the world as described in the book of Revelation chapters 6-19. Billions of people will die in all, but those who are following Jesus Christ can be free from fear, for nothing can touch them unless God allows it. Be assured that if He does allow it, then He will give them the grace and strength to move into eternal life immediately (Exodus 8:20-23; 9:23-26; 12:12-13; Revelation 7:1-3; Daniel 3:16-28; 6:16-23; Psalm 34:7; Luke 22:40-44; Philippians 4:13, etc.).

Read Jeremiah 14:11-16, Ezekiel 13:1-10, Ezekiel 14:13-20,
Ezekiel 22:1-31, Nahum 3:19, Jeremiah 30:12-15

Some people like to quote Daniel, suggesting that he stood in the gap, which is true. So did Jeremiah, Isaiah, Ezekiel, John the Baptist, Noah and many others, but the judgments fell anyway. The population was destroyed in Noah's time, but Noah and his family were saved by obeying God. The nation of Israel was taken into slavery. Daniel himself went into slavery, being taken to Babylon. Even though they all stood in the gap, unless the people themselves repented as the people of Nineveh did, the nation fell. God honored Daniel, and he became a leader in Babylon, but Israel was in slavery. **Standing in the gap means more than praying. These men did more than just pray. They sounded the alarm! They warned the people in the nation that they must repent or suffer the consequences of their continued disobedience.** They prayed, fasted, preached and the Holy Spirit convicted, but if the people of the nation did not themselves repent, judgment fell anyway. Moses stood in the gap, but the people died in the wilderness, never receiving the promises of God because of their continued sins.

People, we must continue to stand in the gap, pray, fast, and warn people to repent. If they ignore us, judgment will fall, but God will honor the believers who are righteous. God be with you. God wants the Church in America to understand His holiness and righteousness so deep that when judgment falls on the Whore and America's de-christianized nation, they will rejoice, for this is an act of mercy and grace for repentance to come. America's economy will crash overnight and eventually will be led by the Whore and the Beast of Revelation. The Church will rejoice when Jesus judges them both and returns! (Rev. 19:19-20)
